## NAAC CYCLE 2

### CRITERIA 2: TEACHING LEARNING & EVALUATION

**2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences and teachers use ICT- enabled tools including online resources for effective teaching and learning process**

To reduce enormous use of paper & printing the entire data, sign and seal by the competent authority for all the papers included in this subpoint, we have used Class - 3 Digital Signatures where a Registration Authority i.e Dr. Salim Chavan, Principal, Govindrao Wanjari College of Engineering & Technology authenticate the documents and responses claimed in this pdf file. The data uploaded is sample copy of relevant information asked.

**2.3.1 : Student centric methods, such as experiential learning, participative learning and Problem solving methodologies are used for enhancing learning experiences.**
