Policy Document for Performance Appraisal of Teaching Staff

1. Introduction

This policy document outlines the framework and procedures for the performance appraisal of teaching staff at Govindrao Wanjari College of Engineering & Technology, Nagpur. The performance appraisal system aims to assess, enhance, and support the professional development of Teaching staff. It is intended to ensure high-quality teaching, maintain academic standards, and provide constructive feedback for staff improvement and growth.

2. Objectives

- To evaluate the effectiveness and quality of teaching practices.
- To promote professional development through feedback, training, and mentoring.
- To ensure alignment of teaching methods with institutional goals and values.
- To provide a clear mechanism for recognizing high performance and addressing areas for improvement.
- To foster a culture of continuous learning and improvement among the teaching staff.

3. Scope

This policy applies to all teaching staff, including full-time, part-time, adjunct, and contract faculty at Govindrao Wanjari College of Engineering & Technology, Nagpur. The evaluation process will be conducted on an annual basis, or as determined by the institution.

4. Performance Appraisal Process

The performance appraisal process consists of several key components designed to assess various aspects of teaching effectiveness and academic contributions.

4.1 Self-Assessment

At the start of the appraisal cycle, teaching staff are required to complete a self-assessment. This provides an opportunity for staff to reflect on their teaching practices, accomplishments, and areas for improvement. The self-assessment form will cover:

- Teaching methodologies and strategies employed.
- Course design and curriculum development.
- Student engagement and feedback.
- Professional development activities undertaken.
- Research and academic contributions (if applicable).

4.2 Student Feedback

Student feedback is a critical component in assessing teaching performance. Feedback form links will be shared to students at the end of each course or term to gather insights on the teaching methods, effectiveness, and overall learning experience.

Feedback will cover:

- Clarity of course objectives and materials.
- Instructor's communication and teaching style.
- Responsiveness to student needs.
- Effectiveness in engaging students and encouraging participation.

4.3 Supervisor/Department Head Review

The Head of Institute or department head will conduct an assessment based on the self-assessment, student feedback. This evaluation will also consider:

- Compliance with institutional policies and regulations.
- Participation in departmental meetings and initiatives.
- Contribution to academic research, if relevant.
- Overall effectiveness in fulfilling the roles and responsibilities as a teaching staff member.

4.4 Documentation and Evidence

Teaching staff are encouraged to provide evidence of their performance, such as:

- Course syllabi, assignments, and grading
- Professional development certificates or participation records.
- Published research or scholarly work (if applicable).

5. Appraisal Outcomes

Following the performance appraisal process, a formal meeting between the teaching staff, Head of Institute and department head will be scheduled to discuss the results. The possible outcomes of the appraisal process include:

Outstanding Performance: Acknowledgment of excellence in teaching, with potential for rewards such as **Recognition letter** from Head of Institute will be given to the staff having scored **91-100% or A+ grade** in the overall process.

Very Good Performance: Acknowledgment of excellence in teaching, with potential for rewards such as **Appreciation letter** from Head of Institute will be given to the staff having scored **81-90% or A grade** in the overall process.

Positively Good Performance: Acknowledgment of excellence in teaching, with potential for rewards such as **Appreciation letter** from Head of Institute will be given to the staff having scored **71-80% or B+ grade** in the overall process.

Average/Poor/Satisfactory Performance: Improvement letter from Head of Institute will be given to the staff having scored **below 70% or B grade** in the overall process.

6. Confidentiality and Transparency

The performance appraisal process is designed to be fair, transparent, and confidential. All

appraisal data, including student feedback, peer reviews, and self-assessments, will be handled with confidentiality to the Head of Institute. Feedback and outcomes will be shared only with relevant appraised staff member, their department head.

7. Appeals Process

If a teaching staff member disagrees with the results of their performance appraisal, they have the right to appeal. The appeal process includes:

- Submitting a formal appeal within 14 days of receiving the appraisal results.
- A review of the case by an appeal panel, which may include a representative from Head of Institute, a senior faculty member, and an external consultant (if necessary).
- A final decision will be communicated within 30 days of the appeal submission.

8. Review and Revision of the Policy

This performance appraisal policy will be reviewed periodically to ensure it remains aligned with the institution's objectives and standards. Any revisions to the policy will be communicated to all teaching staff.

9. Conclusion

The performance appraisal system at Govindrao Wanjari College of Engineering & Technology, Nagpur is integral to maintaining the quality of teaching and fostering a supportive environment for academic staff. By evaluating and supporting teaching staff through constructive feedback, professional development, and recognition, the institution strives to ensure a high standard of education and continuous growth in teaching excellence.

**SAMPLE COPY OF PERFORMANCE APPRAISAL
OF TEACHING AND NON TEACHING STAFF**

STANDARD OPERATING PROCESS (SOP)
Session 2023-24

PERFORMANCE APPRAISAL PROCESS

The success of any educational institution depends on the quality of its staff- both teaching and non-teaching. Together they play a significant role and are the backbone of the institution. Institutions cannot achieve their goals -the vision and mission- without them. To achieve the targets, the staff need to be motivated at work. The performance appraisal (PA) is one of the performance management tools that is widely used to measure the productivity of academic employees in different contexts. At Govindrao Wanjari College of Engineering & Technology, performance appraisals are formats are developed for both teaching and non-teaching staff.

Performance appraisal for teaching staff

The faculty appraisal is undertaken with following objectives:

- To assist teachers in their professional development and career planning.
- To assist teachers to reflect about their potential and to carry out their duties more effectively
- To provide judgment to support promotions, demotions, transfers, confirmation or termination.
- To provide feedback to staff about their behaviour, attitudes, skills or subject expertise
- To recognise the achievements of teachers and help them to identify ways of improving their knowledge, skills, attitudes and ultimately performance.
- To improve the quality of education for students In short, it would be utilized as a tool to facilitate growth, development, efficiency and effectiveness of the teaching-learning process in the institution.

The process of faculty appraisal:

The process of appraisal would be scheduled towards the end of the academic year. This is to enable the faculty reflect on their performance across the two semesters of the academic year. Additionally, the analysis would provide a pathway for the institution to take necessary measures to incentivize or bring in supportive processes to enhance the performance of the faculty.

The process of appraisal comprises of three parts:

- Self-appraisal format to be filled by every faculty
- Appraisal by Principal: This would also involve a review of the self-appraisal documents submitted by the faculty.

Subject: Regarding payment of faculties for **ISTE Life time membership**

Respected Sir,

This is to inform you that the ISTE is the leading National Professional non-profit making society for the Technical Education system with the motto of overall development of our technical education system.

With respect to above subject, our college faculties should be enrolled for the Life time membership of ISTE which costs around Rs 3540/- per faculty so that we can get ISTE Chapter at our college.

Therefore I request you to release 50% of membership fees for the faculties who are willing to take the ISTE membership, rest 50% of membership fees will be paid by the faculty themselves.

The details are as mentioned below –

- Total Number of Faculties – 34
- Total Amount to be paid initially from college – $34 * (Rs\ 3540 / 2) = Rs\ 60,180/-$

Kindly sanction an amount of Rs 60,180/- for said purpose.

The list of faculties willing to get membership of ISTE is attached with this note.

Kindly sanction and do the needful.

12 Things to remember

Free Look Period: The insured shall be given a period of 15 days (Free Look Period) from the date of receipt of the Policy to review its terms and conditions. Where the Policy Holder disagrees to any of the terms or conditions of the Policy, he has the option to return the Policy stating the reasons for his objection, when he shall be entitled to a refund of the premium paid, subject only to a deduction of the expenses incurred by the Company on medical examination of the Insured Person(s) and the stamp duty charges.

Free Look Cancellation period is 30 days in case of policy contracts with a term of 3 years or more for policies sold over distance mode.

Cancellation: Insured or the Company may cancel this Policy by giving the Company or the insured, as the case may be, 15 days written notice for the cancellation of the Policy, and then the Company shall refund premium on short term rates (if initiated by the insured) or pro rata rates (if initiated by the Company) for the unexpired Policy Period. Policy wordings can be referred for rates applicable.

Renewal: The Policy can be renewed as a separate contract under the then prevailing ICICI Lombard Group Personal Accident Insurance product or its nearest substitute (in case the product ICICI Lombard Group Personal Accident Insurance is withdrawn by the Company) approved by IRDA.

The policy shall ordinarily be renewable except on grounds of fraud, moral hazard or misrepresentation or non-cooperation by the insured.

On renewal of the policy, the benefit provided under the policy and/or terms and condition of the policy including premium may be subject to change

Migration and Portability: When your policy is due for renewal, you may migrate to another policy with us or port your policy to another insurer.

Change in Sum Insured: Sum Insured can be changed (increased/decreased) only at the time of renewal or at any time, subject to underwriting by the company. For increase in SI, the waiting period if any shall start afresh only for the enhanced portion of the sum insured

Moratorium Period: After completion of eight continuous years under the policy no look back to be applied. This period of eight years is called as moratorium period. The moratorium would be applicable for the sums insured of the first policy and subsequently completion of eight continuous years would be applicable from date of enhancement of sums insured only on the enhanced limits.

After the expiry of Moratorium Period no health insurance policy shall be contestable except for proven fraud and permanent exclusions specified in the policy contract

Please disclose all material information including occupancy/Profile of the group members before buying the policy. Non-disclosure may affect the claim settlement.

Any changes in the exposure /Sum insured/ Occupancies of the insured members during the policy tenure should be immediately notified to the insurer.

Cooperation from the Insured/claimant is solicited in providing all or sufficient documents as

per the claims procedure in support of claim.

Dr. Salim Chavan**Solid waste management:**

- Separate dust-bins are provided for collecting dry and wet garbage. Cleaning services in the campus are outsourced. Daily garbage is collected by housekeeping personnel.
- The waste is segregated at source by providing separate dustbins for Bio-degradable and Plastic waste.
- Vermi compost is produced from biodegradable solid waste which is used as manure for plants in the campus.
- Waste like plastic, papers etc. are collected and sold out to scrap vendor time to time.

IMPLEMENTATION OF VERM COMPOST:

- The total solid waste collected in the campus is 25 Kg/day.
- Waste generation from tree droppings and lawn management and kitchen waste is a major solid waste generated in the campus.
- However it also includes papers and bottles which is segregated at source by providing separate dustbins for Bio-degradable and Plastic waste.
- Each disposal point is furnished with separate dustbins for collection of dry waste and wet waste. The capacity of dustbin is 20 kg.
