NAAC CYCLE 2

CRITERIA 6: GOVERNANCE, LEADERSHIP & MANAGEMENT

6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities

To reduce enormous use of paper & printing the entire data, sign and seal by the competent authority for all the papers from Page No. 2 to Page No. 210, we have used Class - 3 Digital Signatures where a Registration Authority i.e Dr. Salim Chavan, Principal, Govindrao Wanjari College of Engineering & Technology authenticate the documents and responses claimed in this pdf file. The data uploaded is sample copy of relevant information asked.

6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities

Sr. No.	Particular	Page No.
1	Feedback System	03
2	Teaching Learning Process	
	a)Sample copy of Regular Teaching Techniques	164
	b)Participative Learning : Sample Copy of Industrial Visit to CSRI-NEERI	170
	c)Sample copy of Seminar	183
	d)Digital Library	189
	e)Sample Copy of Project Work	197
	f)Sample Copy of Case Study	201

FEEDBACK

Q1. Why you selected this programme? *

- Current Industrial scenario is favourable for this programme
- Parents / Friends / Siblings insisted me to select this course
- Friends / Sibling is pursuing the same course
- School teachers guided for the same
- No particular reason

Q2. How do you rate the programme in terms of the curriculum syllabi in different semesters? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q3. How do you rate the courses in terms of their relevance to the latest and/or future technologies? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q4. How do you rate the quality and relevance of the courses included in the curriculum? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q5. How do you rate the quality of teaching during the entire programme? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q6. How do you rate the teacher's approach to your overall development? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q7. How do you rate the infrastructure of the classrooms for effective delivery of the lectures? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q8. How do you rate the laboratories and other facilities for effective learning? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q9. How do you rate the availability of text books and reference books available in the library? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q10. How do you rate the transparency of the evaluation system in the institute? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q11. How do you rate the fairness of internal evaluation process by the teachers? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q12. How do you rate the infrastructure, cleanliness and other facilities in the institute? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q13. How do you rate the quality of food, hygiene maintenance in the canteen / cafeterias? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q14. How do you rate the institute activities that help in getting jobs and placements? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q15. How do you rate the services and your interaction with the admin department? *

- Excellent
- Very Good
- Good
- Fair
- Poor

Q16. How do you rate the transport facility of the institute? *

My experience is very good

Excellent environment

No other suggestions.

Every Faculty is worst from college canteen to College University.

I have no suggestion. Thank you 😊

More campuses are needed for students gating new and better oppertunity for gating new jobs

You need to try for getting campus in the college through which we can able to get placement

No, all facilities are good

Very nice

Start remedial exam

No,

It can be better then best

College Uniform the changes

Aware transparency

All things are good.

No more suggestions

The college is situated more away from the main city. So kindly request to increase the bus frequency.

No comments

Great

Please change the uniform

No the facilities and environment of the college is good and teachers are supporting as well.

Please develop institute as well as possible

Collage uniform should be a change

Improve the understanding level about the situation of Poor students.

Stop teaching unnecessary subject , Which are useless in future. The Syllabus or the subject should be concentrated on particular Branch Oriented Curriculum.

Good teaching staff and faculty

Canteen is very small

All doing well 👍

Please change the uniform

All programs are provide the college is excellent 👍

To good

Do more practical than teaching.....

According to the current situation, it is necessary to teach the students about the industry in the 2nd year so that they can also come into the society to know what actually happens and also provide them internship so that they can know in future. What is happening in that industry and along with it they will also have experience.

Change the last year college uniform to old college uniform 😊

Develop any internship program

Cooler facilities

All was excellent

No Suggestion

All is good

No mam sir

G

The Department of CSE staff is very helpfull

Lab issue

Excellent

Change the uniform the quality is very bad

Change Uniform

NOT AT ALL

Harvard university

VERY GOOD

Increase availability of buses

Change the uniform

y

Good jobee

Very helpful

Don't change maths teacher

The Engineering College feels more like a higher secondary school rather than a college.

No any suggestions

I think learning should be more practical rather than theoretical . The main purpose of any course is to gain the basic knowledge about the skills that are relevant to the future. But after spending four years in that perticular course students are unable to gain that level of knowledge from current relevant courses. As a student i personally think this course is not matches the level of expectations that the corporate world need. Thank you....

Subject:- Recommendation for Curriculum Enhancement.

Respected Sir,

The details of the feedback obtained from various stakeholders' who analyzed the feedbacks considering the curriculum and ambience at Govindrao Wanjari College of Engineering & Technology, Nagpur.

After careful consideration of feedback received we are pleased to present the considerations on your part for enhancing the activities and for employment of students.

1. Integration of Entrepreneurship and Start up's among the students

Entrepreneurship awareness and integration nurtures the students and creates the opportunities and encourage them to become proactive and explore real-world problems. We need to maintain the close bonding among students and institute through such integrating activities with small as well as large scale industries.

2. Inculcating the Start Up thinking among the students

Through Institute Innovation Council (IIC), we required to collect the innovative ideas by the students as a stakeholder and motivate them for establishment of Start Up's and provide the platform for the same.

3. Membership for higher studies and software skills

To motivate the students to pursue higher studies for research and upgrade their skills in order to become employable in the era of industry 4.0.

4. Skill enhancement and employability

In order to well prepare the students for jobs, we propose to introduce new electives prescribed in the syllabus for enhancing new domain and value addition for employability.

PRINCIPAL
Govindrao Wanjari College
of Engineering & Technology
Salai Godhani, Hudkeshwar Road,
Nagpur-441204

In view of this input, emerging areas within engineering and management discipline are as follows:

- Biomedical Engineering
- Cyber Security & Artificial Intelligence
- Machine Learning & Data Science
- Statistical Process Control
- Additive manufacturing
- Software Testing & Quality Assurance
- Entrepreneurship Development & Startups

We firmly believe that the above mentioned suggestions and its implementation will definitely enhance the learning experience, practical exposure as well as increase the demand of job market in industry 4.0.

We expect that the suggestions of our feedback analysis of various stakeholders will benefit the entire student's community.

With warm Regards,

IQAC Co-ordinator
GWCET, Nagpur

Subject: Consolidation of feedback on Curriculum and ambience of session 2023-24 from faculties of all departments including B. Tech. All Branches with First year and MBA and suggestions.

Stakeholder:	Faculties
No. of Responses	83
Suggestions	Action Taken
Course Objectives & Course Outcomes of each subjects should be mentioned in the syllabus and should be relevant to the content of the syllabus.	Query has been sent to university.
Needed Continuous enhancement to update knowledge through self-learning process.	Faculties are encouraged to attend and complete the certification programs like NPTEL / SWAYAM / MOOCs in Online Platform based on their respective interest area.
To enhance knowledge in latest technologies.	ATAL FDP, STTP as well as AICTE & ISTE approved STTPs and Workshops for faculties have been regularly conducted in the college by Institute Innovation Cell, GWCET. The college Also provides fund of 50% registration fees or Rs. 2000/- whichever is less for attending FDP, STTP, STC, Workshops etc.
Faculty members are interested to present the papers in conference as well as publish the papers in Journals to improve the research interest.	Faculty members are motivated for research and innovation by providing fund of 50% registration fees or Rs.5000/- whichever is less for Paper publication in SCOPUS, SCI indexed Journals as well as for patent publication.

Sincerely,

Report Industrial Visit To "KP Solution INDIA PVT. LTD"

Department of Computer Science & Engineering recently organized one day industrial visit to "KP Solution INDIA PVT. LTD." a prominent software-based company, was organized to provide participants with a comprehensive understanding of the software development industry and its operational processes. The visit took place on 04/03/2024 (Monday) for 2nd Year & 3rd Year Students.

K.P. Solutions India Pvt. Ltd. is a leading software company specializing in software development. Established in 2000, the company has grown to become a key player in the software industry, providing innovative solutions to clients worldwide. It Specialize mainly in the field of Java Technologies, Angular, Machine Learning Developer in Java, Salesforce Development, Digital Marketing, Full Stack MEAN & MERN Developer, Android / OTT platform Developer, Data Analyst / Data Scientist. The company work on projects based on security, Medic- Shop etc, Eshop etc. The primary aim of the industrial visit is to expose students to a practical working environment. It offers students a valuable opportunity to gain comprehensive awareness of industrial practices and stay informed about new technologies.

Objectives of the Visit

The primary objectives of the visit were to:

- Gain insights into the software development lifecycle.
- Understand the various departments and their roles within a software company.
- Learn about the latest technologies and tools used in the industry.
- Explore career opportunities in the software sector.

The 75 CSE students were present during the visit along with Prof. Manoj. K. Vairalkar, Prof. Aditi Sawarkar, Prof. Tejaswini Mankar. The industrial visit was conducted under the guidance of our management Adv. Abhijeet Wanjari, Secretary, Amar Sewa Mandal and Dr. Salim A. Chavan, Principal GWCET.

Value Added Course on “Entrepreneurship Awareness Program”

Name of Activity Organized	Value Added course
Title Of activity	Entrepreneurship Awareness Program
Organized By	CSE Department in Association With IQAC
Activity Incharge	Prof. A. S. Sawarkar
Date of Commencement	07-08-2023
Date of Completion	12-08-2023
Place of activity	Seminar Hall (2 nd Floor)
Participated By	4 th Year Students of CSE Department.
No. Of Participants involved	57
Expert	1) Dr. Salim A. Chavan, Principal, GWCE, Nagpur 2) Dr. Hemant Bhagat Patil, IIC Incharge & Associate Professor in Mechanical Department, GWCE, Nagpur 3) Dr. Manoj Motghare, HOD First Year Department, GWCE, Nagpur 4) Prof. Pravin Wat, Assistant Professor, MBA Department, GWCE, Nagpur
Program Summary	Dr. Salim A. Chavan, Principal, GWCE said in his key note that everyone wants to fulfill their dreams and to fulfill all these dreams it is very important to become an entrepreneur. By working or doing job, we can only fulfill our basic needs but unable to fulfill the dreams. In order to nurture our family and fulfill the dreams, it is must to become an entrepreneur. Dr. Hemant Bhagat Patil addressed about innovation and product choice with real life examples. Prof. Manoj Motghare in his session told about Start Up India, Incubation and Project Feasibility. Prof. Praveen Wat in his session talked about the process of starting micro, small, medium enterprises and business opportunities Prof. V.P. Thakare gave vote of thanks.
Objectives	The main objective of this Entrepreneurship Awareness Program was to create awareness among the students about various aspects of entrepreneurship.
Outcome of the Activity	At the end of the programmed, students expressed interest and intention to explore entrepreneurship as a career. Further, information related to entrepreneurship were sought by the students. More experiential learning related to entrepreneurship education were expressed by the students.

POLICY FOR FINANCIAL SUPPORT TO TEACHING STAFFS TO ATTEND FDPs, RESEARCH WORKS, CONFERENCES, WORKSHOPS, SEMINARS, SYMPOSIA AND MEMBERSHIP FEES

Research and quality improvement in the teaching and learning process, we believe, contribute to classroom excellence. Substantial changes in educational structure have happened, making learning more accessible. Teachers must be more adaptable, versatile, and diverse as a result of these developments. Internal faculty members can improve their academic knowledge by using the platforms given by well designed Financial Support Policy.

POLICY STATEMENT

The goal is achieved by offering financial assistance to faculty and encouraging them to attend seminars, symposia, conferences, workshops, and training workshops. This would aid in sharing knowledge, fostering academic growth, increasing collaborations and networking. The outcomes of such interactions and interventions would improve teacher's professional and personal effectiveness, resulting in institutional, individual, and student academic achievements.

OBJECTIVES

Provide financial assistance to all teaching faculty for the following:

- 1) Attending or participating in seminars, symposia, conference workshops, refresher courses, Ph.D programme course works, book publishing, and training workshops.
- 2) Provide financial help to faculty members in the form of registration fee reimbursement and encourage their participation in various professional development through conferences/workshops.
- 3) Upgrade academic credentials of faculty.
- 4) To encourage faculty to become members of academic/professional bodies.

PRINCIPAL
Govindrao Wanjari College
of Engineering & Technology
Salai Godhani, Hudkeshwar Road
Nagpur-441204

INCENTIVE

- 1) For attending Symposia, Conferences, Workshops 50% of registration fees or Rs. 2000 whichever is minimum will be paid by college.
- 2) For attending Faculty Development Programme (FDP), Short Term Training Programme (STTP), Short Term Courses (STC) 50% of registration fees or Rs. 2000 whichever is minimum will be paid by college
- 3) If the faculty publishes the patents then 50% of registration fees or Rs. 5000 whichever is minimum will be paid by college.
- 4) If the faculty publishes the paper in Scopus, SCI Index journal then 50% of registration fees or Rs. 5000 whichever is minimum will be paid by college.
- 5) For some college useful projects 50% of the expenditure will be provided by college.
- 6) If student get prize in project competition then Rs. 500 will be given by college.

The Following **Industry Application Based Interdisciplinary Projects** Done By The Final Year Students In Collaboration With Industry Bliinc Innovation Pvt. Ltd.

1. Department of Computer Science and Engineering

Title of Project: “Color and Shape Detection Using Image Processing for Robotics Arm”

This project done by the following students

1. Ms. Neha Dhabale, 2. Ms. Ishaka Wankhede, 3. Ms. Himanshi Ahuja, 4. Ms. Janhavi Wasade, 5. Ms. Oshin Dongre, 6. Ms. Damini Ambedare, 7. Mr. Rushisarang Sarate, 8. Ms. Khushboo Thalal

2. Department of Information Technology

Title of Project: “Developing Mobile Application in Program & Control Robot”

This project done by the following students

1. Mr. Tanmay Vairagade, 2. Mr. Mahesh Shewale, 3. Mr. Vishal Raut, 4. Mr. Pranaysingh Shengar, 5. Ms. Shivani Madakwar

3. Department of Electrical Engineering

Title of Project: “Robotic Operation Sequencer Application”

This project done by the following students

1. Ms. Sushmita Kukde, 2. Mr. Dhirajkumar Samrit, 3. Mr. Pranjal Bagde, 4. Mr. Ankesh Mahaka, 5. Mr. Ankush Ghormade

4. Department of Electronics and Telecommunication Engineering

Title of Project: “Supervising and Controlling Robotic Arms with IOT Integration”

This project done by the following students

1. Ms. Sneha Gatilewar, 2. Ms. Disha Akotkar, 3. Ms. Sonal Gajbhiye, 4. Ms. Ashwini Ninave, 5. Mr. Nishant Gode

Subject - Regarding feedback about Curriculum of Electrical Engineering Course of DBATU, Lonere

Respected Sir,

This is to inform you that, recently we had carried out Curriculum Feedback from our Stake Holders which include Current Students, Alumni and Faculty Members.

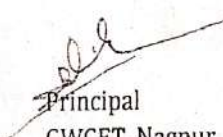

They have mentioned some valuable feedback about Electrical Engineering syllabus, on which some discussion should be done -

1. IoT, Artificial Intelligence, Machine learning subject should be included
2. Industry oriented new subjects should be included
3. Job Oriented Training/ Courses should be included
4. Focus on students Industrial Training/ Visits should be done
5. Certification courses should be also implemented in the course

Sir, above feedback is for your kind attention.

Kindly do the needful.

Govindrao Wanjari College of Engineering & Technology, Nagpur employs and fostering a range of student-centric methods like experiential learning, participative learning, and problem-solving methodologies.

1: Regular Teaching Techniques

Class Room Lectures & E- Learning Resources: Classroom lectures interspersed with discussion, resource for sound understanding, fundamentals, design and implementation. Generally teaching is carried out with conventional Green board-chalk and through PPTs using LCD projectors for explanation and visualization.

During the pandemic session (2020-2021), the teaching (theory and practical session) carried out through online mode (Zoom Meet app, Google Meet and Teach-mint app), NPTEL videos e-sources are also used for in-depth learning of the subjects.

Sub: Participation of schools/colleges in the 66th CSIR-NEERI Foundation Day Celebration at CSIR-NEERI on 8 April 2024 - confirmation reg.

Sir / Madam,

I am pleased to inform you that the 66th CSIR-NEERI Foundation Day celebration will be held at the CSIR-National Environmental Engineering Research Institute (CSIR-NEERI), Nagpur on April 8, 2024 (Monday). The following activities for students will be undertaken on this occasion.

Activity 1: Exposure visits for students and teachers

The institute will be open for students and teachers, from 10:30 am to 2:30 pm on 8 April 2024. During this time, significant R&D achievements and ongoing R&D activities will be briefed at the respective laboratories of the institute. Additionally, an audio-visual presentation about NEERI will be screened in the NEERI Auditorium.

Schools may confirm the number of students and teachers participating in **Activity 1** in advance via the email provided below **latest by 1 April 2024**.

Activity 2: Science Model Exhibition-cum-Competition for students

A science model exhibition-cum-competition for students will also be organized as per the following schedule.

3 April 2024 (Wednesday)	10:30 am – 12:30 pm	Competition (Evaluation of science models by jury)
8 April 2024 (Monday)	10:30 am – 2:30 pm	Science Model Exhibition
8 April 2024 (Monday)	4:00 pm – 5:15 pm	Prize distribution in the NEERI Auditorium

Reference: Letter no. PRMM/NEERI Foundation Day/Misc/2023-24 Dated 20th March 2024

Subject:- Regarding Exposure Visit for our Institutes Students & Staff to NEERI on dated 8th April 2024

Dear Sir,

This is a request letter to seek your kind permission for an Exposure visit to CSIR NEERI, Wardha Road, Nagpur. As per our university norms, Engineering students are expected to visit prominent industries and companies for an exposure to the latest trends.

Consequently, the students of our college, desire to visit the Research Institute, on 8th April 2024. The total number of students would be approximately **135 STUDENTS** accompanied by **11 faculty members**.

With this kind of activity, we believe that our students will gain more knowledge on Engineering application aside from the theoretical aspect learned from the classrooms.

We would be immensely grateful to you if you could please allow us to visit the Institute on 8th April 2024.

Yours faithfully,

Dr. Salim Chavan

Sub: Visit to CSIR-NEERI

Dear Sir,

This has reference to your letter dtd. 31st March, 2023 regarding the visit of 135 BE and MBA students and 11 Faculty Members to CSIR-NEERI. The students may visit CSIR-NEERI on 8th April, 2024 between 10.30 am to 02.30 pm. The students will be taken to various labs and R & D facilities where scientists will interact with them.

Yours sincerely

Guidelines for students participating in Activity 2: Science Model Exhibition-cum-Competition

Students participating in Activity 2 should note that the science model should depict innovativeness in the areas of air pollution control, water technology and management, waste management, or any other environmental aspects. Science models not based on environmental science and engineering will not be considered for evaluation.

Students participating in Activity 2 (Science Models Exhibition-cum-Competition) should provide details such as the student's name, class, school name, science model name, participation category, mobile number, etc., through their schools/colleges in advance via the email provided below latest by 1 April 2024.

It would be appreciated if one or two students accompany each model on all days. Each school will be allowed to present only one science model in each category: category I for students studying in 5th to 7th standards, category II for 8th to 10th standards, and category III for students studying in 11th and 12th standards. There will be three prizes to be awarded in each category.

While confirming, you are requested to kindly indicate your willingness as per the following:

Activity 1: Exposure visits for students and teachers (between 10.30 am to 2.30 pm on 8 April 2024)

Activity 2: Science Model Exhibition-cum-Competition for students (timings: 10.30 am to 12.30 pm on 3 April 2024 for evaluation of the science models and 10.30 am to 2.30 pm on 8 April 2024 for exhibition of the science models)

There is no fee for participation in the Science Model Exhibition-cum-Competition and the visit to CSIR-NEERI. As refreshment packets will be provided to the participating students, please inform us well in advance the number of students visiting CSIR-NEERI on 8 April 2024, **no later than 1 April 2024**.

Looking forward to your kind cooperation and participation in this regard,

Thanks and with regards,

Yours sincerely

DEPARTMENT OF CIVIL ENGINEERING
Session 2023-24.

Date: - 05/02/2024

NOTICE

All the 8th Semester students of Civil Engineering Department are informed that they will be having their Project progress seminar on 10th February 2024 (Saturday) from 11:00 am onwards.

All the groups are required to prepare 4 copies of the synopsis report, review from their respective guide. Also, you are required to prepare a PPT presentation of 30 slides and get reviewed through your guide.

Absent student will be marked as failed in project without any further consideration.

Kindly Notice it.

The List of Guides are:-

1. Prof. R..M. Wakodkar
2. Prof. S.C. Hanuwate
3. Prof. Sudarshan Patil
4. Prof. Rahul Argode

Report on- Final Project Seminar

Title: - Final Project Seminar (8th Sem)

Date: 15/02/2024

Date of Event:	15-02-2024
Topic:	Seminar on Final Project Seminar (8 th Sem)
No. of Project Group	07
Place of Event	Department of Civil Engineering, GW CET, Nagpur
No. of Students:	41
Objectives	<ul style="list-style-type: none"> ➤ Dissertation is to enable the students to extent further investigative study. ➤ Contribute creative ideas and innovations that empower others and promote advancements in their profession.

Department of Civil Engineering has organized Final Project Seminar. The seminar was conducted under the guidance of their respective guides. A Seminar was delivered by all final year projectee of Department of Civil Engineering, GW CET, Nagpur. The Seminar was delivered by students on their respective topics. Students explained detail about the various attributes of different innovative topics such as soak pit design, study of geosynthetic, fiber reinforced concrete, analysis of stage roof truss etc. The seminar helps the students to work hard and start a new venture through adequate forward planning and the execution of the plans. For the seminar total 41 students from Department of Civil Engineering, GW CET.

No. of live project: - 02

No. of interdisciplinary project: - 01 (Application of different filter media in water treatment)/ In association with chemistry department, under the guidance of Dr. P.K. Gaidhane.

We take this opportunity to thank our Dr. S.A. Chavan, Principal and Prof. R.M. Wakodikar, HOD, Department of Civil Engineering for giving us an opportunity to go for innovative work. We sincerely acknowledge Dr. Bhagat Patil, Associate Professor for their entire support & their valuable words.

Management Case Analysis

Name- Snehal S Gawhale

Roll no.- 595414

Second Semester Master of Business Administration (Outcome Based) CBCS Summer 2024

Case Study- To analyze and compare the HR strategies adopted by Coca-Cola and LG and understand how these strategies have benefited the companies.

Let's delve into each company's approach to human resource management.

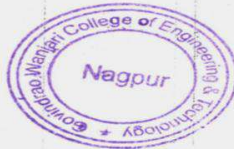

HR Strategies at Coca-Cola

1. Talent Acquisition and Development:

- Coca-Cola focuses on hiring talented individuals and invests heavily in their development through training programs, leadership development, and continuous learning opportunities.
- The company has implemented a Global Talent Management framework to ensure the right talent is in place for current and future needs.

2. Employee Engagement:

- Coca-Cola places significant emphasis on employee engagement, recognizing that a motivated workforce leads to higher productivity and better business outcomes.
- The company regularly conducts engagement surveys and acts on feedback to improve workplace culture and satisfaction.

President
Dr. (Smt) Suhasini Wanjari

Secretary
Adv. Abhijit G. Wanjari

Treasurer
Dr. Smeeta Wanjari

Principal
Dr. Salim Chavan

3. Diversity and Inclusion:

- Coca-Cola promotes a diverse and inclusive workplace, understanding that a variety of perspectives leads to better decision-making and innovation.
- The company has set up Employee Resource Groups (ERGs) to support diverse communities within the organization.

4. Performance Management:

- The company has a robust performance management system that aligns individual goals with the company's strategic objectives.
- Regular performance reviews and feedback sessions help employees stay on track and understand their contributions to the company's success.

5. Compensation and Benefits:

- Coca-Cola offers competitive compensation packages and comprehensive benefits, including health insurance, retirement plans, and wellness programs.
- These benefits are designed to attract and retain top talent.

Benefits to Coca-Cola

- **Increased Employee Retention:** By focusing on development, engagement, and competitive compensation, Coca-Cola reduces turnover rates, retaining experienced and skilled employees.
- **Enhanced Innovation and Productivity:** A diverse and engaged workforce contributes to more innovative ideas and improved productivity.
- **Strong Employer Brand:** Effective HR strategies enhance Coca-Cola's reputation as an employer of choice, attracting high-caliber candidates.
- **Alignment with Business Goals:** Robust performance management ensures that employees' efforts are aligned with the company's strategic objectives, driving business success.

President
Dr. (Smt) Suhasini Wanjari

Secretary
Adv. Abhijit G. Wanjari

Treasurer
Dr. Smeeta Wanjarri

Principal
Dr. Salim Chavan

Benefits to LG

- **Global Competitiveness:** By developing a global talent pool, LG enhances its ability to compete in international markets and adapt to diverse business environments.
- **Higher Employee Morale and Productivity:** Programs focusing on well-being and work-life balance improve employee satisfaction and productivity.
- **Sustained Innovation:** A culture that encourages innovation leads to continuous improvement and the development of cutting-edge products and services.
- **Attraction and Retention of Top Talent:** LG's commitment to development, well-being, and diversity makes it an attractive employer for top talent worldwide.

Conclusion

Both Coca-Cola and LG have implemented comprehensive HR strategies that focus on talent development, employee engagement, diversity and inclusion, performance management, and well-being. These strategies have resulted in increased retention, higher productivity, innovation, and a strong employer brand, contributing significantly to the overall success and competitive advantage of each company.

Incremental Improvements

**GOVINDRAO WANJARI COLLEGE OF
ENGINEERING & TECHNOLOGY, HUDKESHWAR
ROAD, NEAR CHIKNA VILLAGE, NAGPUR**

INCREMENTAL IMPROVEMENTS BY IQAC in last 5 YEARS

Criteria	Initiatives Implemented
1	<ul style="list-style-type: none"> ➤ 40+ Value Added courses conducted for the students having topics beyond university syllabus ➤ Effective implementation of Cross cutting issues by involving subjects such as Universal human values, Environment sustainability ➤ Gender equality by involving girl student and boy student in equal ratio for the various programmes and activities conducted by HEI ➤ Feedback taken from the stakeholders and submitted to the University ➤ Implemented method of taking action on student feedback about teachers ➤ Improved involvement of faculties in University Syllabus framing, Paper setting, Paper Moderation, Valuation etc ➤ Increased number of Students completing the industry-oriented Internships.
2	<ul style="list-style-type: none"> ➤ Effective mentoring system for all round development of students. ➤ In house ERP module for academic planning, monitoring ➤ Lecture Capturing system to integrate ICT in Teaching Learning process. ➤ Students are encouraged for Industrial Projects. ➤ Industry involvement to enhance learning experience. ➤ Reformation in Internal Assessment process. ➤ Students result is enhanced. ➤ Outcome Based Education is Practiced by Faculty and Students ➤ Experiential learning through Project competition etc. ➤ Participative learning through activities such as guest lecture, student seminar, conferences and Industrail visits
3	<ul style="list-style-type: none"> ➤ Received grant of Rs 12.00 Lakhs for Research & Development ➤ Robotics lab created for promoting students to make Industry based projects ➤ IPR/ Research Methodology/ Entrepreneurship: lectures/seminars organised ➤ Participation in 108th University Indian Science Congress to transform student's innovation into products. ➤ 40+ MOUs signed. ➤ Research culture enhanced. ➤ IPR Cell for to promote Industry academia innovations practices. Industry persons talk and entrepreneurship development programs organized. ➤ MoE- IIC activities and 2.33 - star ratings. ➤ 25+ Recognitions for Social Activities conducted for nearby villages and society at large
4	<ul style="list-style-type: none"> ➤ ICT enabled Class room, Smart Class Rooms and Seminar Halls ➤ Enhancement in Library facilities and Digital Library ➤ Enhancement in Internet Bandwidth ➤ Virtual Lab implementation ➤ Maintenance Committee to ensure well maintained campus and its units.
5	<ul style="list-style-type: none"> ➤ Career Guidance, Guidance for Competitive examination and Soft Skill training by internal/ external experts. ➤ Enhancement in Placement and Higher studies ➤ Awards in sports to students ➤ Improvement in Alumni Engagement ➤ courses for Campus Placement, Soft skill, life skill apart from technical skills.
6	<ul style="list-style-type: none"> ➤ Perspective plan for 2023-2028 in place to monitor the implementation and future aspects ➤ Enhancement in faculty and staff welfare measures

- External peer review is through involving experts from Industry/ Reputed Institute in committees, Invited talk series, curriculum part delivery and audits
- NIRF Participation
- ISO 9001: 2015 Certification
- Installation of rooftop 75 kwp Solar System
- Rain Water Harvesting Structures
- Green, Energy, Environment Audits
- Improved in Green Initiatives and Waste Management system.
- Plastic free campus drives
