NAAC Criteria- 7

Institutional Values and Best Practices

7.2.1 QIM

Best practices successfully implemented by the Institution

7.2 Best Practices

Best Practice 1:

1. Title of the Practice:

Community upliftment initiative by the National Service Scheme (NSS)

2. Objectives of the Practice:

- Engage in identifying community needs:** Collaborate with community members to identify their key needs and challenges, facilitating collective problem-solving efforts.
- Promote social and civic responsibility:** Encourage a strong sense of social duty and civic engagement among participants and community members.
- Apply knowledge to practical solutions:** Utilize the skills and knowledge of NSS volunteers to devise and implement effective solutions for community issues.
- Enhance skills for group living:** Develop and strengthen competencies necessary for effective teamwork, collaboration, and shared responsibilities.
- Build community mobilization capabilities:** Equip volunteers with skills to effectively mobilize and involve community members in various initiatives.
- Increase environmental awareness:** Raise awareness and promote actions related to pollution control, health, and environmental conservation.

Focus Area

1. Education & Literacy
2. Water and Sanitation
3. Medical & Health
4. Women Empowerment
5. Environment
6. Socio-Economic Development

3. The Context

1. Under the dynamic leadership of the NSS Programme Officer, the NSS Unit of college is actively involved in a diverse array of activities throughout the academic year.
2. At the start of the academic session, the NSS Unit launched its activities with strong support from our dedicated volunteers and the guidance of the Programme Officer. Through these efforts, NSS volunteers gain experience working with rural communities and focus on raising awareness about blood donation, hygiene, and disease prevention.
3. NSS volunteers organized a variety of activities, including cleanliness drives, special camps, surveys, observance of significant days, and awareness campaigns.

4. The Practice

NSS volunteers play an active role in the Swachh Bharat Mission and lead initiatives to keep the campus clean. They organized a cleanliness drive on the college grounds as part of this mission, with participation from the Principal, teachers, students, and staff members who all contributed their efforts.

5. Evidence of Success

1. The primary outcome of the National Service Scheme is that it instills a democratic mindset in students while also building their confidence to become effective leaders.
2. Students gain insight into the social issues faced by villagers and develop an understanding of their role and contributions within society.
3. This scheme empowers students to approach emergency or challenging situations with composure and resilience.

6. Problems Encountered

1. A significant challenge faced by the NSS is the wide range of goals and objectives, coupled with the high expectations placed on NSS volunteers by both the college and the community.
2. At the same time, NSS volunteers do not have all resources at their disposal.

- Programs on legal awareness, physical training, self-defense etc. help in developing personal, social and professional skills needed by girls.
- The prizes and awards won by the students in technical and other academic events emphasized the impact of the programs.
- The academic and non-academic skills, imparted throughout the year, ensure holistic development of the students.
- The evidence is reflected in the on and off-campus placements of the students and in development of their entrepreneur skills.

6. Problems encountered and resources required:

- Time management and crowd control are significant challenges due to the simultaneous occurrence of numerous academic and non-academic activities. However, these issues are effectively addressed through the collaborative efforts of the principal, department heads, and staff.
- In some activities, the limited capacity for student participants creates a challenge, given the high level of enthusiasm among students.

Ref. No. GW CET/ANTI-RAGGING/05/2023-24

Date: 4/08/2023

WHAT CONSTITUTES RAGGING: -

Ragging constitutes one or more of any of the following acts:

1. Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.
2. Indulging in any act that Prevents, Disrupts the Regular Academic Activity.
3. Asking any student to do any act which has the effect of causing or generating a sense of shame, embarrassment to adversely affect the physique or psyche of any student.
4. Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
5. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students.
6. Any Act of Physical Abuse causing Assault, Harm or danger to Health, sexual abuse.
7. Any Act of injury or infringement of the fundamental right to the human dignity.
8. Any Act of abuse by spoken words, emails, SMS or public insult etc.

Anti-ragging cell

The committee of the Anti-ragging cell includes the anti-ragging committee and anti-ragging squad.

A) Anti-ragging committee

- Principal of the institution as Head and with a faculty co-ordinator.
- Executive committee includes department heads, office administrators, PTA members, Police officials, all hostel Wardens, Student representatives, media people and NGO organization.

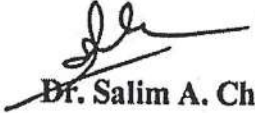

- The committee is meant for addressing the grievances of students related to ragging issues by receiving their appeals and forwarding them to the head of the anti-ragging cell.

B) Anti-Ragging Squad

For the smooth functioning of the anti-ragging squad, staff members are deputed from various departments. They are directed to supervise the activities of the students in the allotted areas to maintain overall discipline on college premises. The deputed staff members have to be alert, monitor all activities of the student groups and report it to the anti-ragging committee if any untoward incidents occur. The chief warden should depute staff members to supervise the activities of students in hostels and should maintain a record of the same in the hostel.

Organization-wide awareness

- Displaying anti-ragging posters, help line numbers, contact of the responsible authorities at all prime locations including hostels and busses.
- Conducting counselling and anti-ragging awareness for senior students.
- Displaying anti-ragging helpline numbers on the campus.
- Conducting surprise visits to the hostels.
- Receiving the anti-ragging affidavit from the parents and students.
- Separate class timings, intervals, lunch time for fresher and senior students are implemented.
- Separate hostel for the first years.

[C.S] Information about Cloud Computing

- What is meant by cloud computing?**
 Cloud computing is the on-demand availability of computer system resources, especially data storage and computing power, without direct active management by user. Large clouds often have functions distributed over multiple locations, each of the which is a data center.
- Who invented cloud computing?**
 Cloud 1.0 : Entrepreneur Sean O' Sullivan filed a trademark on "cloud computing" in 1997. He poses at the offices of NetCentric, in Cambridge, Massachusetts during the late 1990s.
- Types of cloud computing?**

 - Infrastructure as a Service (IaaS)
 - Platform as a Service (PaaS)
 - Software as a Service (SaaS)
- What is cloud computing mainly used for?**
 The cloud provides a number of IT Services such as servers, databases, software, virtual storage & networking among the others in layman's terms cloud computing is defined as virtual platform that allows you to store and access your data over the internet without any limitation.
- What are the advantages of cloud computing?**

 - Faster time to market. You can spin up new instances or retire them in seconds.
 - Scalability and flexibility.....
 - Cost savings.
 - Better collaboration.
 - Advanced Security.
 - Data loss prevention.
- Features of cloud computing?**

 - Resources Pooling. Resource pooling is one of the essential features of cloud computing.
 - Easy maintenance.....
 - Scalability and Rapid Elasticity.....
 - Economical.....
 - On-demand Self-service.....
 - Security.....
 - Automation.

2.	Prof .D.B. Bhongade

Student Co-ordinators:

Sr.No.	Name Of Faculty
1.	Fiza Pathan
2.	Sumit Joshi

Objective:

The objective of this activity is to engage the audience with relatable, humorous content while delivering a unique perspective on everyday situations, using timing, body language, and punchlines to maximize laughter and create an enjoyable, memorable experience.

- Know Your Audience: Understand the demographics and interests of your college peers. Humor should be relatable to their experiences (e.g., college life, exams, relationships, campus events).
- Relatable Content: Focus on jokes about college life—like late-night study sessions, student debt, awkward roommate moments, and professors.
- Personal Stories: Personal anecdotes about funny or embarrassing moments during your time at college are often crowd-pleasers.
- Timing and Pacing: Practice timing your jokes for maximum effect. A well-timed pause can amplify laughter.
